# Biography

Amu Kingsley Chibuike, more popularly known as Kendickson, is a rapidly ascending figure in the vibrant world of Nigerian Afrobeat music. His unique sound and versatile style encompass elements of Contemporary and Afrobeat, setting him apart as a distinctive artist in the industry.

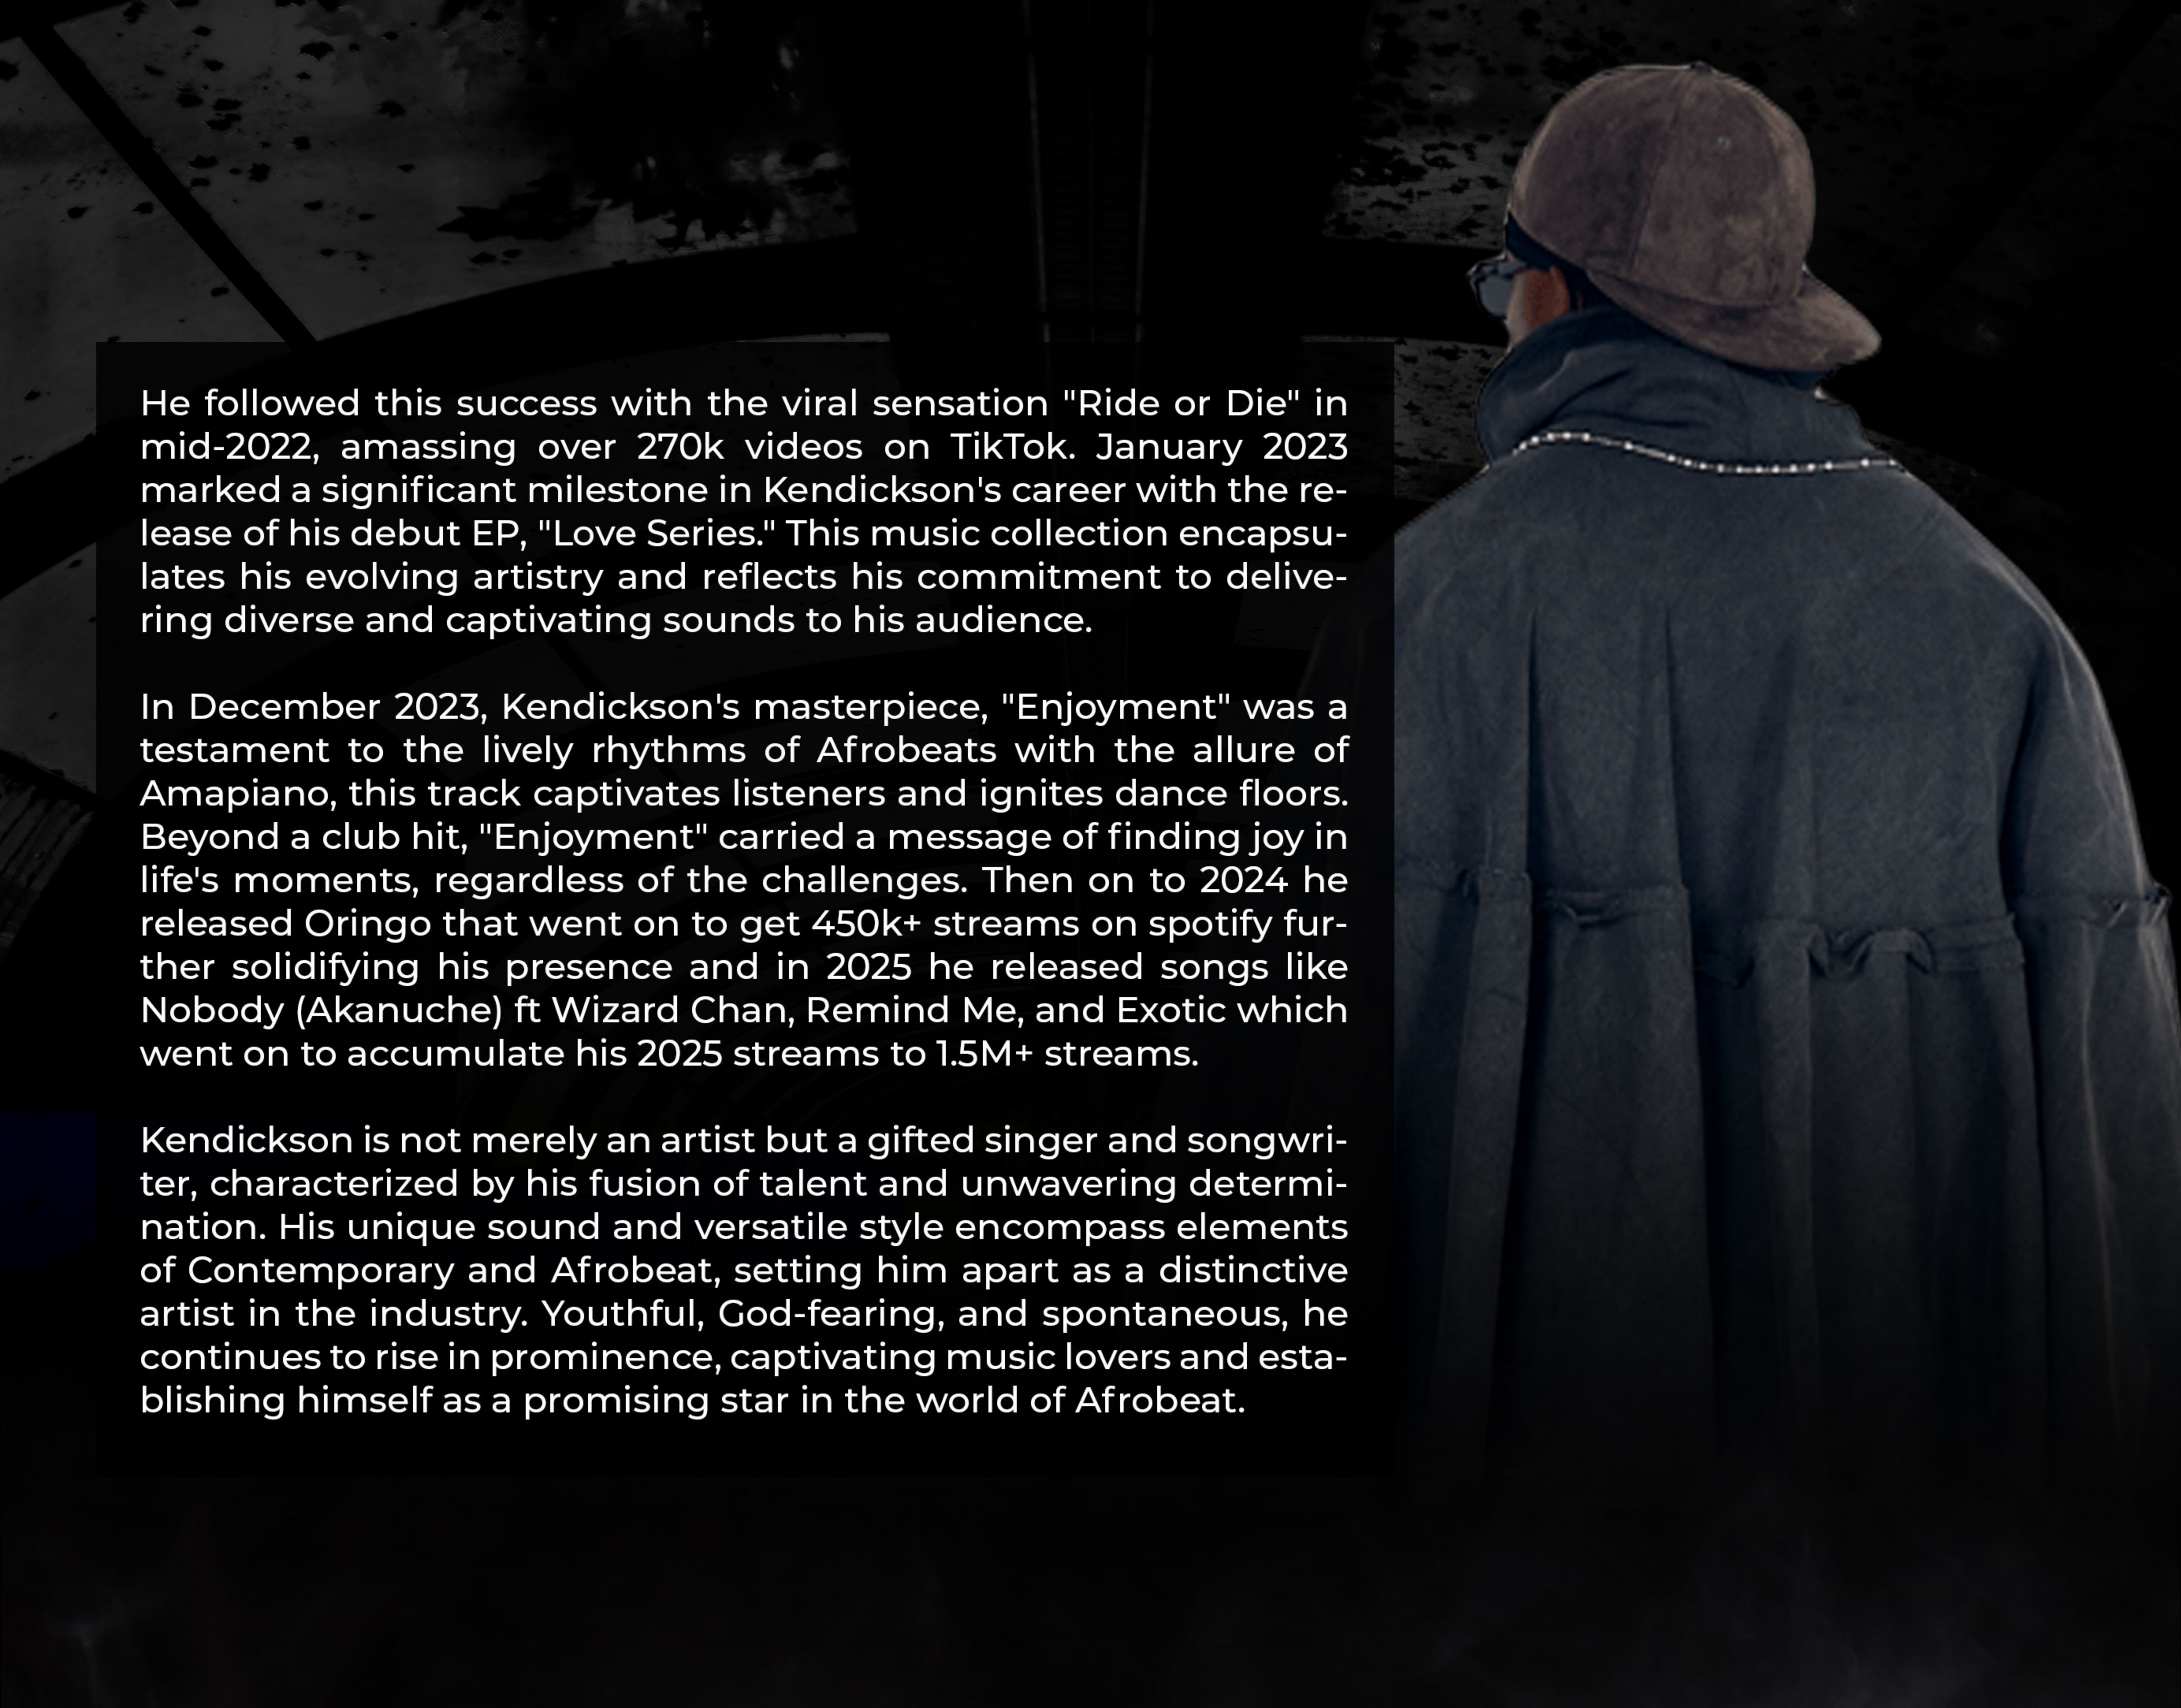

Born on December 10, Kendickson's journey into the world of music began with a deep-rooted love for the art, fostered by his late father, a broadcaster with Radio Nigeria. This early influence planted the seeds of his musical passion. Kendickson's musical odyssey commenced in 2011, and by 2016, he had taken his first professional steps in the industry, introducing his unique voice and style to the world. Over the years, he has honed his craft, drawing inspiration from musical legends like Bob Marley, Barry White, Michael Jackson, Dolly Parton, and more.

His debut Afrocentric track, "Jojo," accompanied by a captivating visual directed by TG Omori, marked his entry into the music scene. Within a short span of less than five months following "Jojo's" release, Kendickson garnered significant recognition, including the esteemed City People Music Award for Best New Act of the Year and the 2019 Stream Awards, solidifying his status as a rising superstar.

Kendickson's breakout moment arrived with his hit single, "Wayo," which enjoyed extensive airplay on national television stations. The artist didn't rest on his laurels but continued to grace his fans and music enthusiasts with inspirational reggae tunes, exemplified by the ever-green track, "Blessings," released in January 2020.

In mid-2021, Kendickson made a triumphant return with "Lole," which swiftly ascended the charts on several Digital Streaming Platforms (DSPs) and found its place on numerous Afrobeats playlists worldwide.

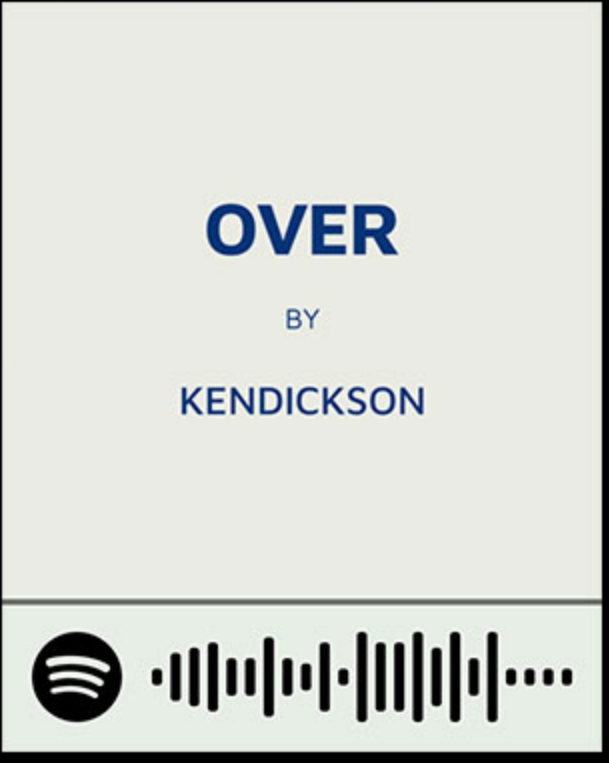

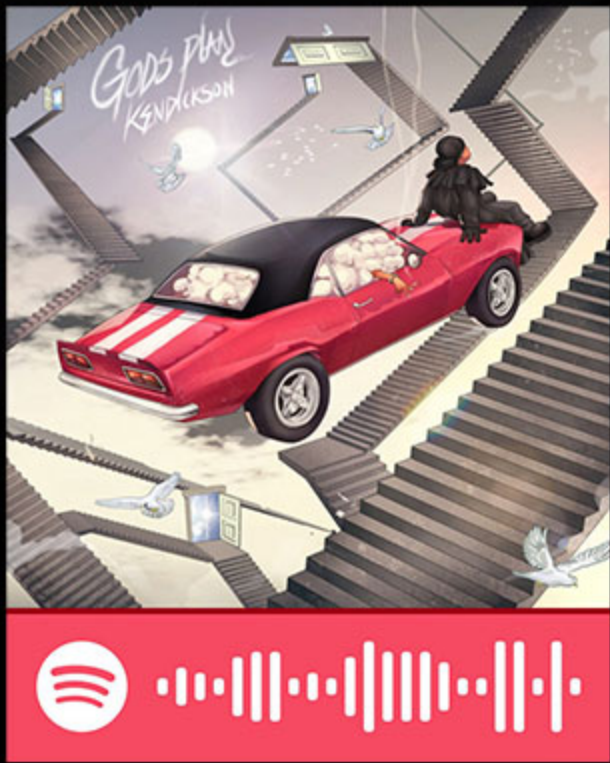

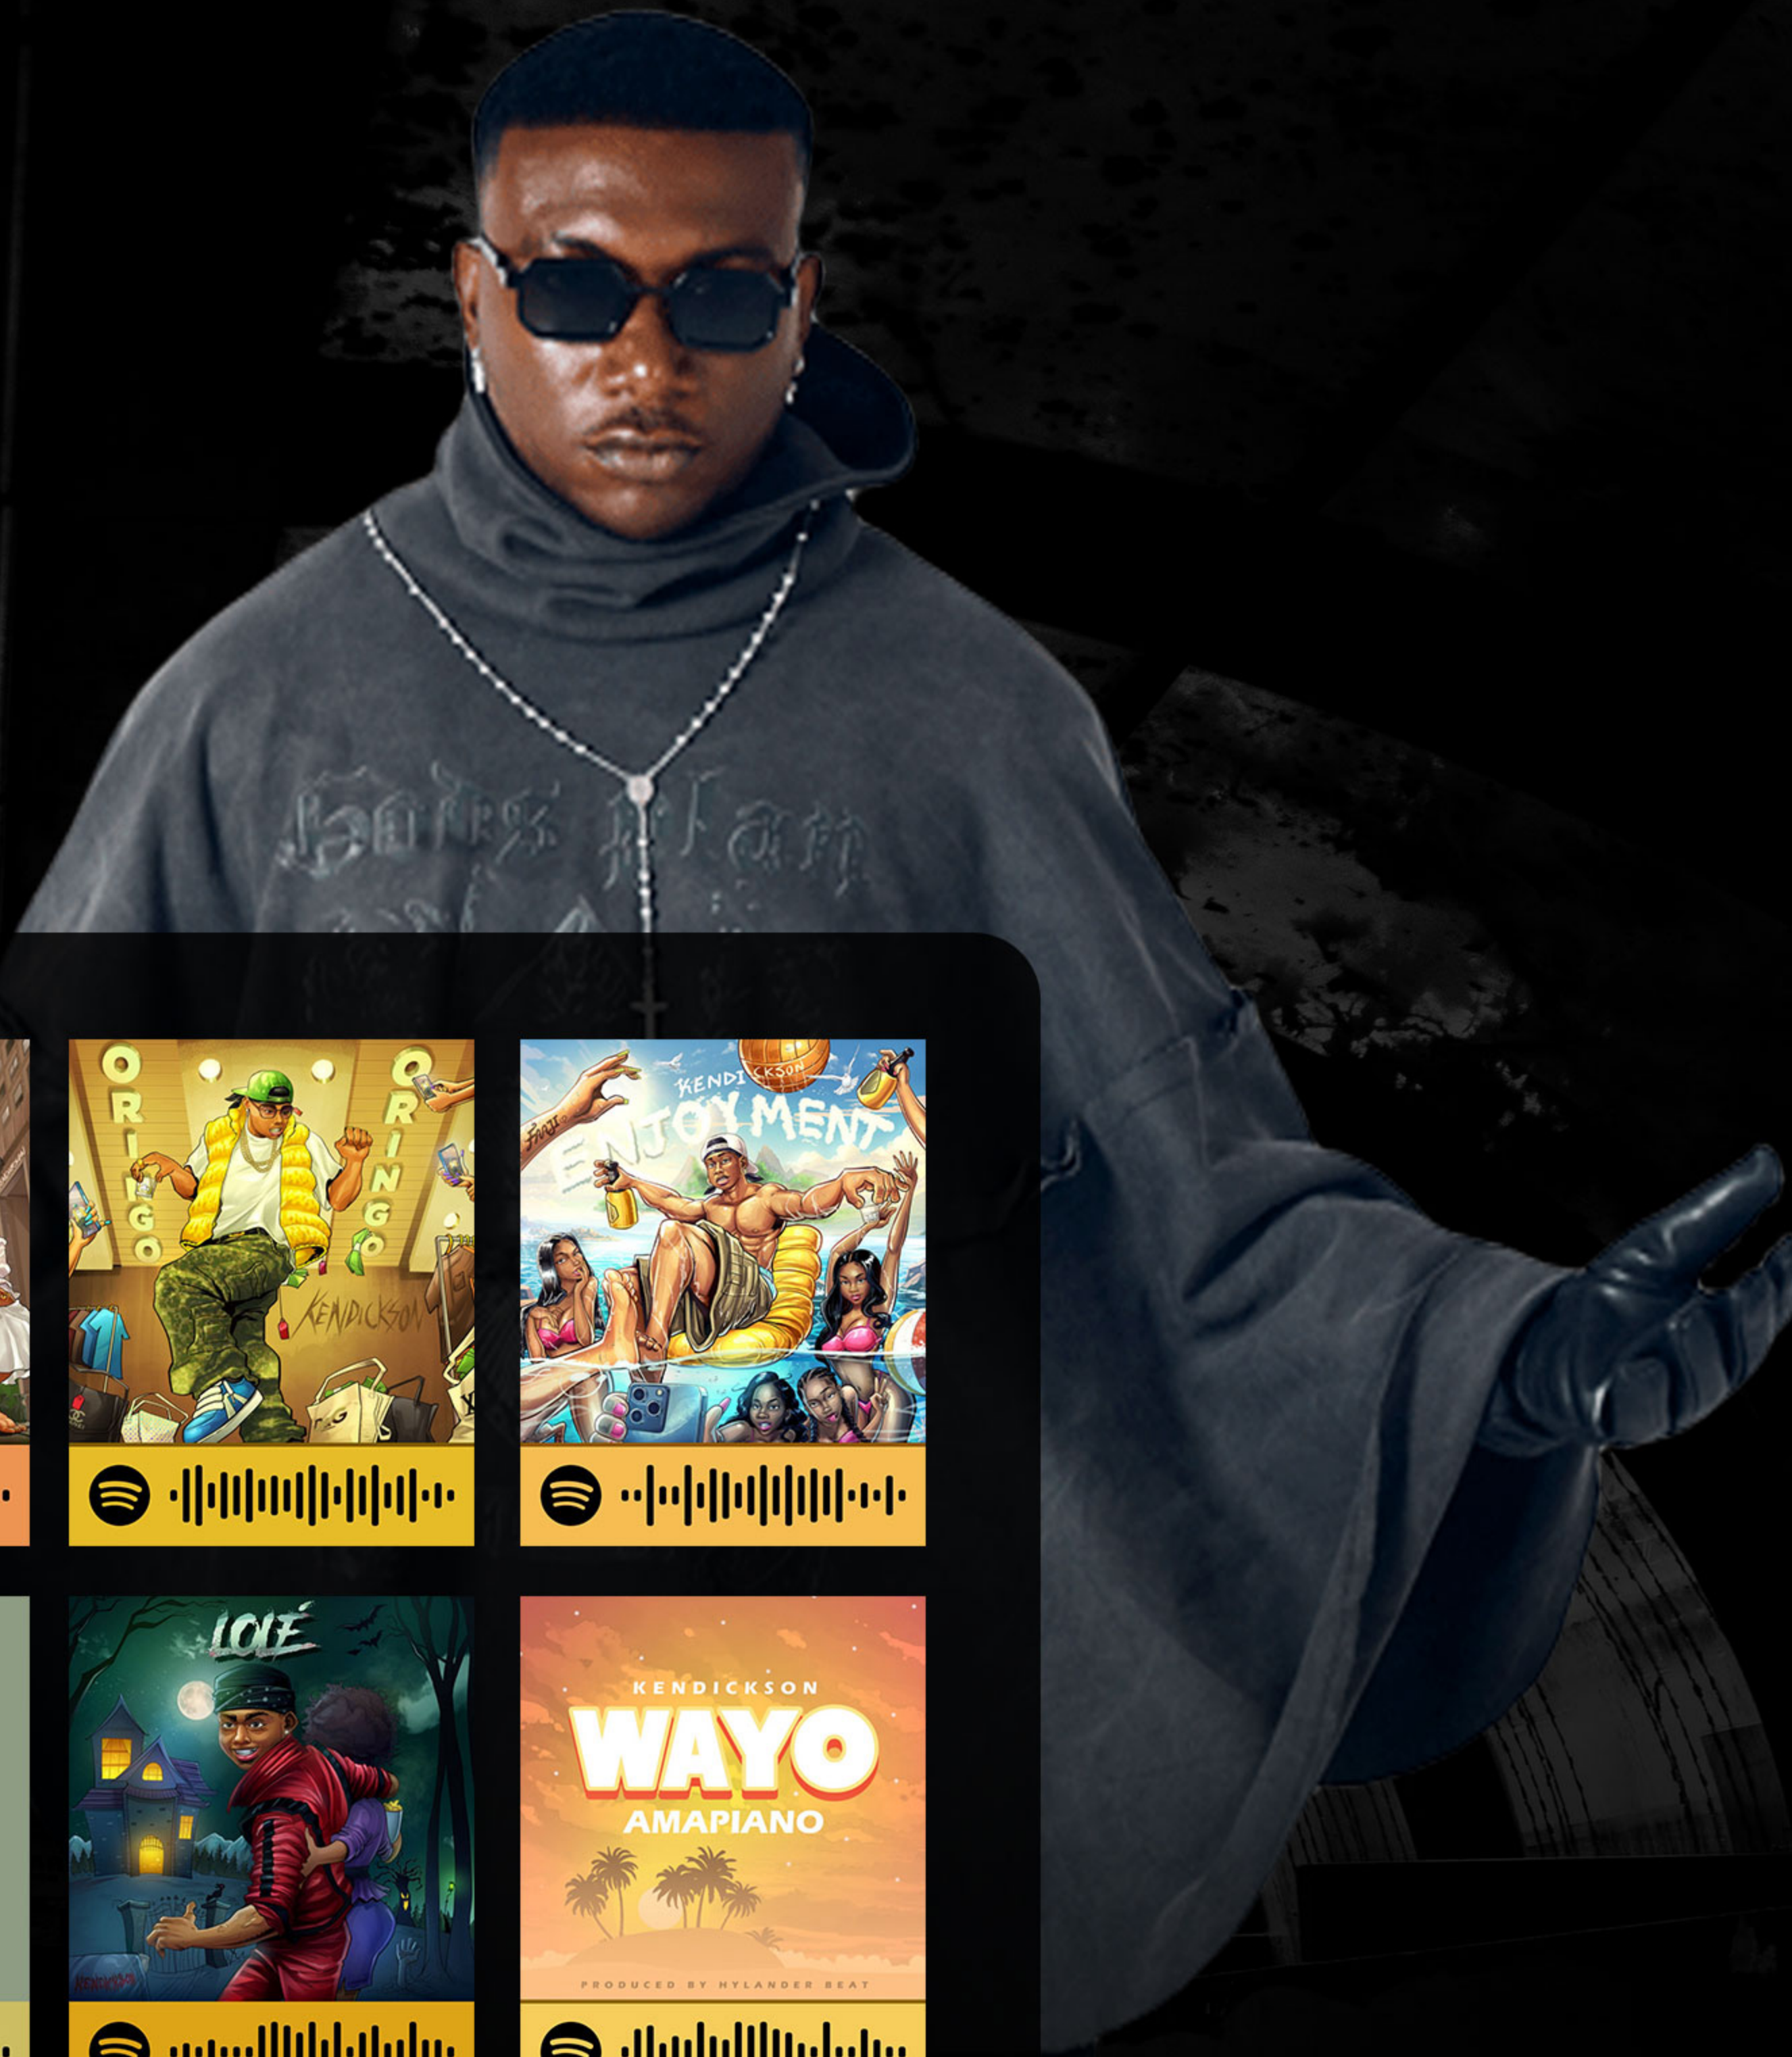

He followed this success with the viral sensation "Ride or Die" in mid-2022, amassing over 270k videos on TikTok. January 2023 marked a significant milestone in Kendrickson's career with the release of his debut EP, "Love Series." This music collection encapsulates his evolving artistry and reflects his commitment to delivering diverse and captivating sounds to his audience.

In December 2023, Kendrickson's masterpiece, "Enjoyment" was a testament to the lively rhythms of Afrobeats with the allure of Amapiano, this track captivates listeners and ignites dance floors. Beyond a club hit, "Enjoyment" carried a message of finding joy in life's moments, regardless of the challenges. Then on to 2024 he released Oringo that went on to get 450k+ streams on Spotify further solidifying his presence and in 2025 he released songs like Nobody (Akanuche) ft Wizard Chan, Remind Me, and Exotic which went on to accumulate his 2025 streams to 1.5M+ streams.

Kendrickson is not merely an artist but a gifted singer and songwriter, characterized by his fusion of talent and unwavering determination. His unique sound and versatile style encompass elements of Contemporary and Afrobeat, setting him apart as a distinctive artist in the industry. Youthful, God-fearing, and spontaneous, he continues to rise in prominence, captivating music lovers and establishing himself as a promising star in the world of Afrobeat.
